Lehman Brothers Chapter 11 Bankruptcy Case No. 08-13555 (JMP)  
Claim 48795  
Internal Control Number 31373

To whom it may concern

Ladies and Gentlemen:

I have learned that apparently my claim against Lehman Brothers was transferred to an organisation named IAMEX. This was never authorised by me. In contrast, I strongly object against any other party to take over my claim. The claim shall stay with me and nobody else being any other person or any other organisation, definitely.

With respectful regards!

Sincerely

Dr. Volker Rusch
